Description

Introducing the Multimobby: Redefining a Safe and Seamless journey for PRM.

Multimobby's compact design not only prioritizes safety but also enables it to enter lifts effortlessly with passengers seated, ensuring a seamless journey from start to finish. With individual doors for each passenger, Multimobby guarantees protection at every step. Optional object scanners, door sensors further enhance safety, while ample luggage space ensures convenience. Choose the Multimobby in a 6 seater or 8 seater for a transportation solution that ensures accessibility and comfort.

A general manufacturer's warranty of 2 years applies to our products. The warranty applies to the frame and paintwork and covers any production errors that are reasonably culpable to us.

parts subject to regular wear and tear and damages resulting directly from the regular use of our products or misuse and vandalism will not be covered under warranty.

batteries, wheels, and braking systems are excluded from the warranty at all times.

Functionalities

With individual doors for each passenger, Multimobby guarantees protection at every step. Optional object scanners, door sensors further enhance safety, while ample luggage space ensures convenience.

Navigate slopes with confidence, thanks to the dosed brake system, and enjoy peace of mind with the safety brake, requiring hands-on engagement for release. The Mobby offers comfortable seating that's both ergonomic and easy to clean, enhancing the overall passenger experience.
